

2015 Department of Records (DoR) Annual Report (Abridged)

Note: This is an abridged version of the report. Due to it being published in the winter of 2017, some data is not included as it is updated in real time and does not stay the same as the data at the end of a year does in some reports. We apologize for this and will be sure the missing sections are included in next year's report.
